**PTC**  
PROFESSIONAL TESTING CORPORATION  
1350 BROADWAY - 17TH FLOOR  
NEW YORK, NEW YORK 10018  
(212) 356-0660

**ADMINISTRATION:** The certification program is sponsored by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission (NCC). The Certification Examinations for Addiction Counselors Level I, Level II, and MAC are administered for the NCC by the Professional Testing Corporation (PTC).

**COMPLETION OF APPLICATION:** Complete or fill in as appropriate ALL information requested on the Application. Mark only one response unless otherwise indicated.

Mail completed Application with the Application fee to be received by the deadline to the appropriate representative for your agency or state. **Note: Fees, deadline information, and mailing address for completed Applications will be provided by your state representative.**

**EXAMINATION ADMINISTRATION:** The National Certification Examination for Addiction Counselors is administered during an established one-week testing period on a daily basis, Monday through Saturday, excluding holidays, at computer-based testing facilities managed by LaserGrade Computer Testing, Inc. LaserGrade has over 700 testing sites in the United States as well as other countries. Scheduling is done on a first-come, first-serve basis. To find potential testing centers near you visit: [www.lasergrade.com](http://www.lasergrade.com) or call LaserGrade at (800) 211-2754. **Please note: Hours and days of availability vary at different centers. You will not be able to schedule your examination appointment until you have received an Eligibility Notice from PTC.**

**SCHEDULING YOUR EXAMINATION APPOINTMENT:** Within 6 weeks prior to the first day of the testing window, you will be sent an Eligibility Notice. The Eligibility Notice plus photo identification must be presented in order to gain admission to the testing center. A candidate not receiving an Eligibility Notice at least three weeks before the beginning of the one-week testing period should contact the Professional Testing Corporation by telephone at (212) 356-0660.

The Eligibility Notice will indicate where to call to schedule your examination appointment as well as the dates in which testing is available. Appointment times are first-come, first-serve, so schedule your appointment as soon as you receive your Eligibility Notice in order to maximize your chance of testing at your preferred location and on your preferred date.

**It is highly recommended that each candidate becomes familiar with the testing site.**

**It is the candidate's responsibility to call Lasergrade to schedule the exam appointment.**

**SPECIAL NEEDS:** Special testing arrangements may be made for special needs individuals submitting the Application, examination fee, and a letter describing the nature of the disability and the special accommodations needed for testing. Requests for special testing needs individuals must be received at least EIGHT weeks before the testing period begins.

**CHANGING YOUR EXAMINATION APPOINTMENT:** If you need to cancel your examination appointment or reschedule to a different date within the one-week testing period you must contact LaserGrade at (800) 211-2754 no later than noon, Eastern Standard Time, of the second business day PRIOR to your scheduled appointment.

**If you fail to arrive for your appointment you will forfeit your testing fee.**

**RULES FOR THE EXAMINATION:**

- 1. No signaling devices, including pagers, cellular phones, and alarms, may be operative during the examination.
- 2. No books or other reference materials may be taken into the examination room.
- 3. Simple, non-programmable calculators are permitted. A calculator is also available on screen if needed.
- 4. No questions concerning content of the examination may be asked during the testing period. The candidate should carefully read the directions that are provided on screen at the beginning of the examination session.

**REPORT OF RESULTS:** Candidates will be notified by PTC within four weeks of the closing of the testing period whether or not they have passed the examination. Scores on the major areas of the examination and on the total examination will be reported. Candidates will receive a notification letter from their state representative regarding their state certification status.

**REEXAMINATION:** Candidates wishing to retake the examination may do so upon filing a new Application and fee. There is no limit to the number of times the examination may be repeated.

**CONFIDENTIALITY:** Test scores will be released in writing only to the individual candidate and the state or agency authorized by the candidate to receive the results. Any questions concerning test results or the certification process should be referred to your state or agency representative.

**CONTENT OF THE EXAMINATION:**

- 1. The Certification Examinations for Addiction Counselors are written examinations each composed of a maximum of 250 multiple-choice, objective questions with a total testing time of four (4) hours.
- 2. The content for the examination is described in the Content Outline starting on page 3 of this leaflet.
- 3. The questions for the examination are obtained from individuals with expertise in alcoholism and drug abuse counseling and are reviewed for construction, accuracy, and appropriateness by the NCC.
- 4. The NCC, with the advice and assistance of the Professional Testing Corporation, prepares the examinations.

5. The National Certification Examinations for Addiction Counselors will be weighted in approximately the following manner:
